

The International Workshop on Agricultural Waste Reclamation and Utilization (AWRU2021), September 25-26, 2021

Dear all participants,

On behalf the organization committee, it's my great honor to inform you of the International Workshop on Agricultural Waste Reclamation and Utilization (online) which is scheduled to hold on September 25-26, 2021. One of the major purposes of this workshop is to celebrate the contributions of Prof. Dr. Zhenya Zhang, University of Tsukuba to education and this research field.

The themes of this workshop include: 1) Sustainable management of agricultural waste and wastewater; 2) Energy and resources recovery from agricultural waste and wastewater; 3) Innovative technologies and approaches for agricultural waste and wastewater; and 4) Good practices of newly developed systems for agricultural waste reclamation and utilization.

For this workshop, we have invited the following distinguished professors/experts to make keynote speeches in addition to two graduate representatives. The invited professors are listed alphabetically by the last name.

- (1) Prof. Dr. Fabrizio Adani, Professor, University of Milan, Italy
- (2) Prof. Dr. Wenshan Guo, University of Technology Sydney, Australia
- (3) Dr. Zhirong Hu, Executive Director, GL Environment Inc., Canada
- (4) Prof. Dr. Samir Kumar Khanal, University of Hawai'i at Manoa, United States of America
- (5) Prof. Dr. Yu Liu, Nanyang Technological University, Singapore
- (6) Prof. Dr. Huu Hao Ngo, University of Technology Sydney, Australia
- (7) Prof. Dr. Ashok Pandey, CSIR-Indian Institute of Toxicology Research, India
- (8) Prof. Dr. Xinmin Zhan, National University of Ireland Galway, Ireland

We welcome you to submit your abstracts to AWRU2021@outlook.com by August 15, 2021. Except the keynotes, all the other presentations are in posters. Please also prepare your full manuscript (review or research article) in advance, and quality papers after regular review processes can be consequences to be included in a special issue of Bioresource Technology according to the following schedule.

Submission portal open	September 15, 2021
Manuscript submission due	October 14, 2021
Publication date	December 15, 2021

We're looking forward to seeing you at the end of September, 2021. Thank you very much for your consideration and participation.

Sincerely yours,

Zhongfang Lei
